### WP 5.3 TRAINING PROGRAM FOR HEALTHCARE PROFESSIONALS

**REPORT - DELIVERABLE** 

### What is the aim of the product: results and conclusions

### **GLOBAL TRAINING**

- Prioritized en every region
- Main areas: nursing and rehabilitation
- No outcomes referred

### SPECIFIC TRAINING

- Neurosonology course in Portugal
- Stroke for nurses in Catalunya

### Who are the stakeholders this product is addressed to

- Mainly professionals
- There is no model course in the regions of IctusNet that covers all areas globally and that can be exported to other regions.

- A standard methodology is proposed, as well as those minimum contents that all regions should consider for their training programs
- For specific training, European initiatives are recommended
- Neurosonology and stroke nurses courses could be delivered in other languages if demanded

**TOOLKIT** 

WP. 5.4 TOOLKIT FOR THE ORGANIZATION OF CAMPAIGNS FOR STROKE PREVENTION AND HEALTH PROMOTION FOR THE CITIZIENS

WP5 – Knowledge, exchange, collaboration, and mutual learning

- This ICTUSNET Toolkit has been designed to be a replicable tool, that can be evaluated, and that allows modular actions in the regions participating in the project or in other regions or communities, individually or jointly.

- A standardized campaign catalog on the ICTUSnet platform will be carried with the collaboration of the Institute of Health Sciences (IACS-Spain), which has contributed with the definition of the format and the coding system of the different fields
